ABOUT OUR CONFERENCE

The 1st International Recent Trends in Engineering, Advanced Computing and Technology Conference (RETREAT) 2020 is organised by MN Smart Solution in collaboration with Universiti Tun Hussein Onn Malaysia, University College TATI, Malaysia, National Graduate School of Engineering and Research Center, France and Norwegian University of Science and Technology, Norway.

This conference provides lots of networking opportunities to scholars, professors and practitioners for corporate and development sectors. The scope of this conference is broad and covers many aspects of international technology perspectives. This conference aims to provide scholarly platform to participants to share their valuable knowledge and current information with others.

The RETREAT 2020 proceedings will be published in the Journal of Physics : Conference Series (JPCS). JPCS is indexed in SCOPUS, ISI Web of Science (WoS) and Google Scholar.
